

Over 350,000 Free Food and 9,000 Drink Recipes

## Cookbooks

Cookbooks make up a good portion of the cooks library. Many cooks will have cookbooks for just about anything that they normally cook. Thousand of recipes are available in cookbooks that we use everyday.

We have searched the web for cookbooks that we are proud to make available on The Weekend Chef. These cookbooks cover a wide range of culinary styles. In addition, The Weekend Chef has created their own cookbooks. All of these cookbooks are available for download in PDF format. Hundreds of recipes are available with a click of the mouse.
